

ANNUAL GENERAL MEETING OF SHAREHOLDERS

MANAGEMENT INFORMATION CIRCULAR

GENERAL INFORMATION

This Management Information Circular (the “**Circular**”) is furnished to the holders (the “**shareholders**”) of common shares (the “**Common Shares**”) of Gunpoint Exploration Ltd. (the “**Company**”) by management of the Company in connection with the solicitation of proxies to be voted at the Annual General Meeting (the “**Meeting**”) of the shareholders to be held at Suite 2200, 885 West Georgia Street, Vancouver, British Columbia, at 11:00 a.m. (Pacific Time) on Wednesday, October 18, 2023 and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

PROXIES

Solicitation of Proxies

The enclosed Proxy is solicited by and on behalf of management of the Company. The persons named in the enclosed Proxy form are management-designated proxyholders. A registered shareholder desiring to appoint some other person (who need not be a shareholder) to represent the shareholder at the Meeting may do so either by inserting such other person’s name in the blank space provided in the Proxy form or by completing another form of proxy. To be used at the Meeting, proxies must be received by Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment thereof, or received by the chairman of the Meeting before the commencement of the Meeting, or any adjournment thereof. Solicitation will be primarily by mail, but some proxies may be solicited personally or by telephone by regular employees or directors of the Company at a nominal cost. The cost of solicitation by management of the Company will be borne by the Company.

Non-Registered Holders

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”.

Pursuant to National Instrument 54-101 (“**NI 54-101**”) of the Canadian Securities Administrators, the Company is distributing copies of proxy-related materials in connection with this Meeting (including this Circular) indirectly to Non-Registered Holders.

The Company is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting.

Intermediaries which receive the proxy-related materials are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO's Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary's directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare Investor Services Inc. as described under "Solicitation of Proxies".

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or Proxy form is to be delivered.

Revocability of Proxies

A registered shareholder who has given a Proxy may revoke it by an instrument in writing that is:

- (a) received at the registered office of the Company at any time up to and including the last business day before the day set for the holding of the Meeting at which the proxy is to be used, or
- (b) provided at the Meeting to the chair of the Meeting,

or in any other manner provided by law.

Non-Registered Holders who wish to revoke a voting instruction form or a waiver of the right to receive proxy-related materials should contact their Intermediaries for instructions.

Voting of Proxies

Common Shares represented by a shareholder's Proxy form will be voted or withheld from voting in accordance with the shareholder's instructions on any ballot that may be called for at the Meeting and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of any instructions, the management-designated proxy agent named on the Proxy form will cast the shareholder's votes in favour of the passage of the resolutions set forth herein and in the Notice of Meeting.**

The enclosed Proxy form confers discretionary authority upon the persons named therein with respect to (a) amendments or variations to matters identified in the Notice of Meeting and (b) other matters which may properly come before the Meeting or any adjournment thereof. At the time of printing of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Only Common Shares carry voting rights at the Meeting, with each Common Share carrying the right to one vote. The board of directors of the Company (the "**Board of Directors**" or the "**Board**") has fixed September 13, 2023 as the record date (the "**Record Date**") for the determination of shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at the Meeting. As of the Record Date, 50,894,933 Common Shares were issued and outstanding as fully paid and non-assessable.

To the knowledge of the directors or executive officers of the Company, as at the Record Date, no person beneficially owned, or controlled or directed, directly or indirectly, shares carrying 10% or more of the voting rights attached to the Company's issued and outstanding Common Shares, except for the following:

P. Randy Reifel	6,286,501 ⁽²⁾	12.3%

- (1) Of these shares, 2,260,000 Common Shares are held directly by Chesapeake Gold Corp. (“Chesapeake”) and 31,977,899 Common Shares are held indirectly by Chesapeake through its wholly-owned subsidiary, American Gold Capital Corporation. Chesapeake is a company listed on the TSX Venture Exchange. P. Randy Reifel, is Executive Chairman and a director of Chesapeake.

VOTES NECESSARY TO PASS RESOLUTIONS AT THE MEETING

Under the Company's Articles, the quorum for the transaction of business at the Meeting is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued and outstanding Common Shares. A simple majority of the votes cast at the Meeting (in person or by proxy) is required in order to pass the resolutions referred to in the accompanying Notice of Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the following persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than directors and executive officers of the Company having an interest in the resolution regarding the re-approval of the Company's stock option plan as such persons are eligible to participate in such plan:

- (a) any director or executive officer of the Company who has held such position at any time since January 1, 2022;
- (b) any proposed nominee for election as a director of the Company; or
- (c) any associate or affiliate of a person in (a) or (b).

APPOINTMENT OF AUDITOR

The management-designated proxyholders named in the enclosed Proxy form intend to vote for the appointment of Saturna Group Chartered Professional Accountants LLP (“Saturna LLP”) as the auditor of the Company to hold office until the next annual general meeting of shareholders. Saturna LLP has been the auditor of the Company since January 23, 2018.

ELECTION OF DIRECTORS

The Company currently has six directors. At the Meeting, shareholders will be asked to fix the number of directors at six and elect six directors. The persons named below are the six nominees of management for election as directors, all of whom are current directors of the Company. Each director elected will hold office until the next annual general meeting or until the director's successor is elected or appointed unless the director's office is earlier vacated under any of the relevant provisions of the Articles of the Company or the *Business Corporations Act* (British Columbia). It is the intention of the persons named as proxyholders in the enclosed Proxy to vote for the election to the Board of Directors of those persons hereinafter designated as nominees for election as directors. The Board of Directors does not contemplate that any of such nominees will be unable to serve as a director; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, **proxies in favour of management designees will be voted for another nominee in their discretion unless the shareholder has specified in such shareholder's Proxy that such shareholder's Common Shares are to be withheld from voting in the election of directors.**

Advance Notice Policy

The Company's advance notice policy (the “**Advance Notice Policy**”), among other things, fix deadlines for submitting director nominations to the Company prior to any annual or special meeting of shareholders where directors are to be elected, and sets forth the information that a shareholder must include in their nomination in order for it to be valid. In the case of an annual shareholders' meeting, the deadlines for notice of a shareholder's director nominations are not less than 30 days prior to the meeting; provided, however, if the first public notice of an annual shareholders' meeting is given less than 50 days prior to the meeting date, shareholders must provide notice of their nominations by close of business on the 10th day following the announcement of the meeting. In the case of a special meeting (which is not also an annual meeting) called for any purpose which includes electing directors, shareholders must provide notice

of their nominations by close of business on the 15th day following first public announcement of the special shareholders' meeting, provided, however, if notice-and-access is used for delivery of proxy-related materials in respect of the meeting, and the first public notice of the meeting is given not less than 50 days before the date of the meeting, shareholders must provide notice of their nominations by close of business on the 30th day following the announcement of the meeting. CORPORATE GOVERNANCE DISCLOSURE

The following description of the corporate governance practices of the Company is provided further to National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) and the disclosure prescribed for “Venture Issuers” such as the Company.

Board of Directors

The Board currently consists of six directors, all of which will be standing for re-election. NI 58-101 distinguishes independent and non-independent directors. Three of the six current members of the Board are considered independent directors. The independent directors are John Mackay, Charlie Ronkos and Anna Tudela. P. Randy Reifel is not considered to be an independent director because he is an executive officer of the Company. John Perston and Randy Buffington are not considered to be independent directors because they are the representatives of Chesapeake, the Company’s major shareholder.

The Board considers that management has been effectively supervised by the independent directors on an informal basis, as the independent directors have been actively and regularly involved in reviewing and supervising the operations of the Company and have regular and full access to management. The Board believes that the knowledge, experience and qualifications of its independent directors are sufficient to ensure that the Board can function independently of management and discharge its responsibilities.

Directorships

The following table sets out the directorships in other reporting issuers held by the directors of the Company. If directors are not set out below, they are not currently directors of other reporting issuers (or the equivalent).

Director	Reporting Issuer
Randy Buffington	Nevada Copper Corp. Chesapeake Gold Corp.

Director	Reporting Issuer
John Perston	Chesapeake Gold Corp.
P. Randy Reifel	Chesapeake Gold Corp.
Anna Tudela	GoldMining Inc. Regulus Resources Inc.

Orientation and Continuing Education

The Board has adopted a Corporate Governance Policy, which provides for organizing, reviewing and recommending education policies relating to the directors and management of the Company.

The Company does not have a formal process of orientation for new Board members. However, the Company does orient and educate new Board members by providing background information, conducting personal meetings and responding to questions, during the early stages of a new Board member's involvement with the Company. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars.

The Company does not have a formal process of continuing education for directors. Generally, the Company expects that existing and new Board members will have a familiarity with the business of mineral exploration and development. Professional advisors may be invited to attend Board meetings, as needed. The Company also relies on the relatively straightforward nature of its business, and the established qualifications and expertise of its Board members.

Ethical Business Conduct

The Board's Corporate Governance Policy includes a Corporate Disclosure Policy, Whistle Blower Policy, Code of Business Conduct and Ethics and Insider Trading Policy which applies to all directors, officers, employees and consultants, and prescribes a high standard of ethical conduct in all dealings related to the affairs of the Company.

In addition, as some of the directors of the Company also serve as directors and officers of other companies engaged in similar business activities, the Board must comply with the conflict of interest provisions of the British Columbia *Business Corporations Act*, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgement in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings directors which evoke any such conflict.

Nomination of Directors

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of shareholders. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time and show support for the Company's mission and strategic objectives.

Compensation

The Company has a Governance and Compensation Committee which reviews officers' and directors' compensation matters. See "Director and Named Executive Officer Compensation". The Compensation is based on the compensation paid for directors and senior officers of companies of a similar size and stage of development. The appropriate compensation reflects the need to provide incentive and compensation for the time and effort expended by the directors and its management while taking into account the financial and other resources of the Company.

Other Board Committees

The Board currently has no standing committees besides the Audit Committee and the Governance and Compensation Committee.

Assessments

The Board regularly monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees. Also, the Board monitors its performance on an ongoing basis, and as part of the process considers the overall performance of the Company and input from its shareholders.

Stock Option Plans and Other Incentive Plans

The Company has a "rolling 10%" Stock Option Plan (the "Option Plan") which was last re-approved by the shareholders of the Company at the 2022 annual meeting of the Company's shareholders. The purpose of the Option Plan is to advance the interests of the Company by encouraging the directors, officers, employees and consultants of the Company to acquire Common Shares, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of their affairs.

The Option Plan must be re-approved on an annual basis by the shareholders at each annual general meeting of the Company as required by the policies of the TSX Venture Exchange ("TSX-V").

The Board, based on recommendations of the Governance and Compensation Committee where appropriate, determines which NEOs (and other persons) are entitled to participate in the Option Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and vests, and the corresponding exercise price.

Previous grants of option-based awards are taken into account when considering new grants.

The Option Plan includes the following provisions:

- The Option Plan is administered by an “Administrator” which means the Board or such committee of the Board that the Board has designated to administer the Option Plan;
- Options may be granted to employees, directors, executive officers and consultants of the Company;
- Any options previously granted by the Company (the “**Outstanding Options**”) which were outstanding as at September 28, 2022 were deemed to have been issued under and will be governed by the Option Plan, and in the event of any inconsistency between the terms of the agreements governing the Outstanding Options and the terms of the Option Plan, the terms of such agreements shall govern;
- The maximum number of Common Shares issuable pursuant to options granted under the Option Plan (and pursuant to any other Security Based Compensation Plans, as defined in TSXV- policies) is 10% of the issued and outstanding Common Shares from time to time. The Option Plan is currently the only Security Based Compensation Plan of the Company in effect;
- The Administrator determines the number of options to be granted to a participant under the Option Plan, subject to the following limits:
 - The maximum aggregate number of Common Shares which may be issuable pursuant to all options granted within any 12 month period to any one optionee is 5% of the then issued and outstanding Common Shares (on a non-diluted basis), unless the Company has obtained disinterested shareholder approval;
 - The maximum aggregate number of Common Shares which may be issuable pursuant to all options granted within any 12 month period to any one consultant is 2% of the then issued and outstanding Common Shares (on a non-diluted basis);
 - The maximum aggregate number of Common Shares which may be issuable pursuant to all options granted within any 12 month period to optionees who are employed to provide investor relations activities is 2% of the then issued and outstanding Common Shares (on a non-diluted basis);
 - The maximum aggregate number of Common Shares which may be issuable pursuant to all options granted at any point in time to insiders (as a group) is 10% of the then issued and outstanding Common Shares, unless the Company has obtained disinterested shareholder approval; and
 - The maximum aggregate number of Common Shares which may be issuable pursuant to all options granted within any 12 month period to insiders (as a group) is 10% of the then issued and outstanding Common Shares, unless the Company has obtained disinterested shareholder approval;
- The exercise price for options granted under the Option Plan will not be less than the market price of the Common Shares less applicable discounts permitted by the TSX-V;
- Options may be exercisable for a term of up to 10 years, subject to earlier termination in the event of death or the optionee’s cessation of services to the Company or to extension if the expiry date is within a trading blackout period imposed by the Company to that date which is 10 business days after the trading blackout;
- Options granted under the Option Plan are non-assignable and non-transferable, except by will or the laws of descent and distribution;
- If an optionee ceases to be a director, officer, employee or consultant, as the case may be, of the Company for any reason (other than death or disability), the optionee may, but only within 30 days next succeeding ceasing to be a director, officer, employee or consultant, exercise options held to the extent that the optionee was entitled to exercise the options at the date of such cessation. The Administrator may, in its sole discretion, extend the mentioned 30-day period in respect of any option for a specified period up to one year;
- In the event of the death or disability of an optionee, options previously granted to the optionee will be exercisable only within

the 12 months next succeeding such death or cessation of service due to such disability, respectively;

- For so long as the Common Shares are listed on the TSX-V, any Common Shares issued pursuant to the exercise of options that (a) were granted to an optionee who was a director, officer or significant shareholder of the Company; or (b) had an exercise price per share that was less than the last closing price of the Common Shares on the TSX-V before such date of grant, would be subject to a four-month hold period commencing on the date of grant of the option. “Significant shareholder” means a person holding securities of the Company that carry more than 10% of the voting rights attached to the Company’s securities both immediately before and after the transaction in which securities are issued, and who have elected or appointed or have the right to elect or appoint one or more directors or senior officers of the Company;
- The Administrator may, subject to any necessary stock exchange or regulatory approvals, from time to time, without notice or approval of the optionees or of the shareholders of the Company, amend, modify, change, suspend or terminate the Option Plan or any options granted pursuant to the Option Plan as it, in its discretion, determines appropriate, provided, however that no such amendment, modification, change, suspension or termination may adversely affect any outstanding options granted under the Option Plan without the consent of the optionee. Disinterested shareholder approval is required for any reduction in the exercise price or the extension of the term of an option if the optionee is an insider of the Company at the time of the proposed amendment; and
- The vesting schedule for each option shall be determined by the Administrator at the time the option is granted and shall be specified in the option agreement in respect of the option, with the exception that options granted to investor relations service providers must vest in stages over at least 12 months with no more than 25% of the options vesting in any three month period. There can be no acceleration of the vesting requirement applicable to options granted to an investor relations service provider. If no vesting provisions are specified by the Administrator, options granted under the Option Plan shall vest as to 25% on each of the first, second, third and fourth anniversaries of the grant date.

Employment, Consulting and Management Agreements

Pursuant to a service agreement dated September 1, 2021 between the Company and Viktoriya Griffin CFO Corporation (“VG CFO”), a company controlled by Cindy Jeong, the Company engaged VG CFO for Ms. Jeong’s services as CFO of the Company and for accounting, administration, management, tax compliance, and internal control consulting services. Further to this agreement, during the year ended December 31, 2022, the Company paid VG CFO \$67,380.

There are no provisions in any contract, agreement, plan or arrangement that provides for payments to a NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change of control in the Company or a change in the NEO’s responsibilities.

Oversight and Description of Director and Named Executive Officer Compensation

In 2022, the Board of Directors determined compensation to be paid by the Company to its directors and executive officers. The Board of Directors reviews annually and approves the total compensation (including direct salary and any annual bonus as well as long term stock-related incentive plans) payable to each executive officer of the Company and payable to directors in their capacity as directors of the Company. In accordance with TSX-V policies, any compensation paid to a director or executive officer of the Company must be approved by the independent members of the Board of Directors.

In 2022, the directors received no cash compensation for acting in their capacity as directors of the Company and, other than the grant of stock options, there were no arrangements under which directors were compensated by the Company for their services in their capacity as directors.

The Board of Directors is responsible for reviewing and considering corporate goals and objectives relevant to compensation for all executive officers, evaluating the performance of each executive officer in light of those corporate goals and objectives, and determining the level of compensation for the executive officers based on this evaluation. In 2022, the only NEO who received direct or indirect compensation from the Company was Cindy Jeong (CFO) who was compensated through VG CFO, a company controlled by Ms. Jeong.

The Board of Directors administers the Option Plan and makes decisions regarding option grants, including option terms and amendments, under the Option Plan after taking into account previous stock option grants. In 2022, the Board granted 200,000 stock options to Randy Buffington, a director.

There is no policy or target regarding cash and non-cash elements of the Company’s compensation program. The directors are of the

view that all elements should be considered rather than any single element. The Company does not currently provide the executive officers with personal benefits or any other compensation.

The Company does not presently anticipate making any significant changes to its compensation policies and practices in respect of its financial year ending December 31, 2023.
