NOT FOR DISSEMINATION IN THE UNITED STATES OR FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES

Vancouver, British Columbia--(Newsfile Corp. – March 1, 2022) – Gunpoint Exploration Ltd. (TSXV: GUN) (“Gunpoint” or the “Company”) is pleased to announce that it has completed its previously announced non-brokered private placement of 3,000,000 units (the “Units”) at a price of \$0.50 per Unit for aggregate gross proceeds of \$1.5 million (the “Offering”). Each Unit consists of one common share of the Company (each, a “Common Share”) and one-half of one common share purchase warrant (each whole common share purchase warrant, a “Warrant”). Each Warrant entitles the holder to purchase one additional Common Share at an exercise price of \$0.75 until February 28, 2024.

The securities issued pursuant to the Offering are subject to a four month plus one day hold period from the date of issuance, expiring on June 29, 2022, in accordance with Canadian securities laws.

The Company plans to use the proceeds of the Offering for exploration on its Talapoosa gold project in Nevada and for general corporate purposes.

The Company paid a finder’s fee to an arm’s length party of \$12,250 in connection with the Offering in accordance with the policies of the TSX Venture Exchange.

The Offering is considered a “related party transaction” pursuant to Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“MI 61-101”) because directors and officers of the Company acquired an aggregate of 2,120,000 Units pursuant to the Offering. The Company was exempt from the requirement to obtain a formal valuation or minority shareholder approval in connection with the participation in the Offering by such directors and officers in reliance of Sections 5.5(b) and 5.7(1)(a) of MI 61-101. A material change report will be filed in connection with the Offering less than 21 days in advance of the closing of the Offering, which the Company deems reasonable in the circumstances so as to be able to avail itself of potential financing opportunities and to complete the Offering in an expeditious manner.

Mr. Randy Reifel, President, Chief Executive Officer and a director of the Company, acquired 1,090,000 Units pursuant to the Offering. Following completion of the Offering, Mr. Reifel holds, directly and indirectly, an aggregate of 5,098,501 Common Shares, representing approximately 10.2% of the issued and outstanding Common Shares on an undiluted basis. Mr. Reifel also holds, directly, an aggregate of 1,400,000 stock options and an aggregate of 545,000 Warrants, entitling him to acquire an equal number of Common Shares. Assuming the exercise of all of Mr. Reifel’s stock options and Warrants, an aggregate of 7,043,501 Common Shares will be, directly or indirectly, owned by Mr. Reifel, representing approximately 13.6% of the current issued and outstanding Common Shares on a partially-diluted basis. Mr. Reifel acquired the Units for investment purposes. He will review his holdings from time to time and may increase or decrease his position as future circumstances may dictate.
